

REMARKS

Claims 1-30 have been amended, claims 31-32 cancelled without prejudice, and claims 33-43 add to correct a typographical-type matter, remove certain multiple claim dependencies and place claims in U.S.-style format, i.e. the amendments are non-substantive. No new matter has been added. For instance, support for the amendments appears e.g. at page 29 and the original claims of the application.

Early consideration and allowance of the application are earnestly solicited.

Respectfully submitted,

By 
Peter F. Corless
